Premiere Career College is deeply and seriously committed in providing a safe, secure, conducive to learning environment for the community it serves – students, members of the faculty/ staff, and guests/ visitors. This report provides useful information to raise awareness about possible crime activity and the procedures and the resources available to prevent it.

### **POLICY STATEMENTS**

#### **Timely Warnings**

In the event that a Clery crime occurs that constitutes a continuing threat to the Premiere Career College community, the President/ Executive Director will issue a campus-wide warning. The warning will be issued through bulletin boards on campus and on the school website. Anyone with information about a crime which may warrant such a warning should report it to the President/Executive Director at (626) 814-2080.

#### **Policy for Reporting the Annual Disclosure of Crime Statistics**

Premiere Career College prepares an Annual Disclosure of Crime Statistics to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act.

On March 7, 2013, President Obama signed the Violence Against Women Reauthorization Act of 2013 (VAWA) which, among other provisions, amended the Clery Act. This amendment requires institutions to compile statistics for incidents of domestic violence, dating violence, sexual assault, and stalking.

The College compiles crime statistics from College records and from local law enforcement agencies. The statistics are then compiled into a crime report which can be accessed at our website at:

<http://www.premierecollege.edu/consumerinformation>

Written notification of the release of this report is given annually to students and staff. The College provides a written copy of the report upon request.

#### **Reporting Crimes**

If you have information regarding a crime, you should immediately inform the appropriate authorities. For crimes in progress or which have just occurred, you should contact 9-1-1. For non-emergency reports, you should contact the Irwindale City Police Department at (626) 962-3601. In addition, you may report crimes to the President/ Executive Director of Premiere Career College at (626) 814-2080.

#### **Confidential Reporting Procedures**

All reports of criminal activity to Premiere Career College will be investigated. The College does not have a procedure for voluntary, confidential reporting of crime statistics. Violations of the law will be referred to the appropriate law enforcement agency.

#### **Security and Access Policies**

Premiere Career College consists of only its main instructional campus and does not own or operate any non-campus or residential facilities. Classroom facilities are open to Premiere students during normal class hours and the administrative building is open to the public during normal business hours. Visitors must have prior authorization before visiting Premiere classroom facilities. During off-hours, all College facilities are locked and protected by an electronic surveillance and security system.

#### **Campus Security and Law Enforcement**

Premiere Career College officials have the authority to ask persons for identification and determine whether individuals have lawful business at the College. Premiere Career College officials do not possess arrest power. Crimes and other incidents are referred to the local police who have jurisdiction over the Premiere Career College campus. There is no written memorandum of understanding between Premiere Career College and any local law enforcement agencies. Those with information regarding a crime are strongly encouraged to immediately report the incident to Premiere Career College officials and the appropriate police agencies. Prompt reporting will

assure timely warning notices and disclosures of crime statistics.

## **No Weapons Policy**

Premiere Career College prohibits all persons who enter College property from carrying weapons of any kind regardless of whether or not the person is licensed to carry the weapon. Failure to abide by this policy will lead to dismissal from the College.

## **Security Awareness**

Premiere Career College encourages all members of the College community to be aware of their responsibilities for their security and the security of others. Information about Premiere Career College security programs and policies is distributed through security notices on the various campus bulletin boards and through the Premiere Career College website.

## **Crime Prevention Program**

Premiere Career College encourages all members of the College community to avail themselves of the various crime prevention programs offered in the area. The College will post notices of available self-defense training and other crime prevention programs on bulletin boards and on the Premiere Career College website.

## **Off-Campus Student Organization Activities**

Premiere Career College does not sanction any off-campus student organization activities. If you are engaged in an off-campus activity with a student group, please alert the appropriate local law enforcement agencies of any incidents.

## **Policy on Alcoholic Beverages and Controlled Substances**

Premiere Career College is a drug free campus. The possession, sale, manufacture, or distribution of controlled substances is prohibited and illegal. Violation of such laws will be reported to law enforcement. The consumption of alcohol on campus is strictly prohibited. The possession of alcohol by anyone under 21 years of age is illegal. Anyone suspected to be under the influence of alcohol or caught to be in possession of the

substance in the campus will be asked to leave the premises. Refusal will result in referral to the local police.

## **Substance Abuse Education**

Premiere Career College promotes substance abuse education through the dissemination of informational materials and referrals to external programs and services for counseling and support. The College's substance abuse education policy and programs can be found in the Premiere Career College Catalog.

## **Sexual Assault Prevention and Response**

The College advises the campus community about sexual assaults through the student handbook and the Premiere Career College Newsletter. Additionally, the Office of Student Services maintains materials on risk reduction and prevention.

If you are a victim of sexual assault at this institution, your first priority should be to get to a place of safety. You should then obtain necessary medical treatment. The College strongly advises that a victim of sexual assault report the incident to law enforcement in a timely manner. Time is a critical factor for evidence collection and preservation. Filing a police report will:

- Ensure that the victim of the sexual assault receives the necessary treatment and tests, at no expense to the victim
- Provide the opportunity for collection of evidence helpful in prosecution, which cannot be obtained later (ideally a victim of sexual assault should not wash, douche, use the toilet, change clothing, or otherwise take actions that may interfere with evidence collection prior to medical and legal examination).
- Assure the victim has access to free confidential counseling from counselors specifically trained in the area of sexual assault crisis intervention.

It is the policy of Premiere Career College to allow both accusers and accused in cases of alleged sexual assault to select one person who has no formal legal training to accompany them throughout the

college’s disciplinary hearing. At the conclusion of the disciplinary hearing, both the accuser and the accused will be informed of the outcome. Details of the College’s disciplinary hearing procedures and the possible sanctions can be found the Premiere Career College Student Catalog. The College will assist victims of sexual assault in notifying appropriate law enforcement if such assistance is desired. The College will also accommodate victims of sexual assault with changes to their academic programs if possible and practical.

### **Disclosure of Disciplinary Hearing Results to Alleged Victims**

Premiere Career College will, upon written request, disclose to the alleged victim of a crime of violence, or a non-forcible sex offense, the results of any disciplinary hearing conducted by the College against the student who is the alleged perpetrator of the crime or offense. If the alleged victim is deceased as a result of the crime or offense, Premiere College will provide the results of the disciplinary hearing to the victim’s next of kin, if so requested.

### **Sexual Offender Registration**

In accordance with the Campus Sex Crimes Prevention Act of 2000, which amends the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act, the Jean Clery Act and the Family Education Rights and Privacy Act of 1974, Premiere Career College is providing a link to the California Department of Justice’s Megan’s Law Website.

The California Department of Justice is responsible for maintaining this registry and website. Follow the link below to access the state’s Megan’s Law website:

### **Violence Against Women Reauthorization Act of 2013 (VAWA)**

On March 7, 2013 President Barack Obama signed Pub. Law 113-4 (VAWA) which among other provisions, amended section 485 (f) of the HEA, also

known as the Jeanne Clery Disclosure of Campus Crime Statistics Act (Clery Act). VAWA amended the Clery act to require institutions to compile statistics of domestic violence, dating violence, sexual assault, and stalking and to include certain policies, procedures, and programs pertaining to these incidents in our annual security reports (ASRs).

However, while institution like ours must include statistics for calendar year 2013 for domestic violence, dating violence, and stalking in our ASRs, we will not be required to report these new crimes to the U.S. Department of Education (Department) in the web-based data collection this year (2013). Instead, we will report the statistics for 2013 and 2014 during the data collection period in Fall 2015.

VAWA did not affect in any way Title IX of the education amendments of 1972, its implementing regulations or associated guidance issued by the Department’s office for Civil Rights (OCR). Nothing in the Clery Act, as amended by VAWA, alters or changes an institution’s obligations or duties under Title IX as interpreted by OCR.

Below are the definitions of the new crime categories of domestic violence, dating violence, and stalking in accordance with section 40002 (a) of the VAWA of 1994 provided by HEA:

**“Domestic Violence”** means a “felony or misdemeanor crime of violence committed by

- a current or former spouse or intimate partner of the victim,
- a person with whom the victim shares a child in common,
- a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner,
- a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies under (VAWA), or
- any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction.”

**“Dating Violence”** means “violence committed by a person

- who is or has been in a social relationship of a romantic or intimate nature with the victim; and
- where the existence of such a relationship shall be determined based on a consideration of the following factors:
  - the length of the relationship
  - the type of relationship; and
  - the frequency of interaction between the persons involved in the relationship.”

**Am I a Victim of Domestic/Dating Violence?**

- Does your partner get jealous when you go out or talk with others?
- Does your partner frighten or intimidate you?
- Does your partner put you down, but then tell you he/she loves you?
- Have you been held down, shoved, pushed, hit, kicked or had things thrown at you by your partner?
- Has your partner forced or intimidated you into having sex?

If you answered yes to any of these questions you may be a victim of domestic/dating violence.

**What is consent?**

Consent is an agreement between participants to engage in sexual activity. Consent doesn’t have to be verbal, but verbally agreeing to different sexual activities can help both you and your partner respect each other’s boundaries.

- Giving consent for one activity, one time, does not mean giving consent for increased or recurring sexual contact.
- Having sex with someone in the past doesn’t give that person permission to have sex with you again in the future.
- You can withdraw consent at any point.

**What Can the Courts Do?**

Restraining orders and protective orders can be obtained from the Court. Restraining orders and protective orders are rulings by the court that may prohibit your assailant from harming you and your children.

**Emergency Protective Order**

This can be issued to you right away. A police officer can contact a judge who will grant or deny the request of an EPO. It is only valid for five to seven days (5 court days or 7 calendar days, whichever is shorter).

**Temporary Restraining Order**

You can apply to the court for a TRO. A TRO takes effect immediately and lasts up to 21 days. During this time, the restrained person must be served with a copy of the order and the notice of the hearing date.

**Order after Hearing**

If a TRO is granted, it will expire on the date of the hearing. At the hearing, the judge may extend the restraining order up to 5 years.

**Criminal Protective Order**

If criminal charges are brought against the defendant by the District Attorney or the City Attorney, the judge may issue a protective order for witnesses and/or victims at the defendant’s arraignment or at any other criminal proceeding. These orders may be extended by the Judge through the term of probation. The terms and conditions of the protective order remain enforceable, notwithstanding, any acts of the parties and may only be changed by court order.

**What Must You Do?**

When a TRO is issued at your request, the court gives a copy of the order to law enforcement. You should keep a copy of the order and notice of the hearing given to the restrained person. This is called “service.” You cannot serve the order yourself. It must be served by someone over the age of 18. The police can be asked to serve it for you.

**“Stalking”** means “engaging in a course of conduct directed at a specific person that would cause a reasonable person to –

- fear for his or her safety or the safety of others; or
- suffer substantial emotional distress.”

**Typical Stalking Behaviors**

- Repeated telephone calls to home or office, including hang-ups
- Unsolicited letter writing
- Unsolicited e-mail messages

- Unsolicited electronic pages
- Unsolicited sending or leaving gifts
- Notes on car or at residence
- Surveillance behaviors, both on foot and in a car
- Driving past your residence (keeping you under surveillance)
- Unexpected appearances at places you frequent, such as stores, classrooms, etc.
- Contacting your friends, family or co-workers
- Searching public and private records to gain personal information
- Vandalism (residence, car, personal possessions)
- Entering your residence to move things or to steal personal items

### **Helpful Strategies**

It is impossible to design a “one strategy fits all” approach for every situation. Because each case is unique, each case requires careful assessment, proper management and constant re-assessment. The following suggestions can make the campus a safer place for you.

### **Responding**

- If the offender is known, cease all contact.
- If the offender is known, consider obtaining a protection order.
- If the offender is unknown, do not respond to any attempts by the offender to make contact.

### **Documentation**

- Maintain log/journal/record of all incidents/events.
- Keep all correspondence (letters, notes, e-mails, voice mails).

### **Making Reports**

- Immediately report all incidents to campus authorities.
- Keep authorities informed as to all new “events.”

### **Retain Support**

- Inform family, friends, co-workers, etc.
- Do not run or walk alone. (Use the CSO evening escort services, travel in a group).

- Utilize all available resources (campus authorities, counseling services, etc.)

### **Changing Behaviors and Routines**

- Make an extra effort to always be alert and to always be aware of your surroundings.
- Vary your daily routine. For example, change your route to and from home, work, school, etc.
- Consider carrying a cell phone - utilize speed or voice dialing.
- Consider carrying pepper spray.
- Have your keys in hand and check inside the car before entering.

### **Protecting Privacy**

- You may want to place caller I.D. on your phone.
- Secure your residence – replace locks, install window and sliding glass locks, install large peephole.

### **On-Line Tips**

- **Always select a gender-neutral username** for your email address or for chat, etc. Don't pick something cute, such as hotcoed@someisp.com or use your first name if it is obviously female.
- **Don't fill out profiles!** When you sign up for your email account, whether it's through your ISP or a free one, fill out as little information about yourself as possible.
- **Do block or ignore unwanted users.** When you are in a chat room always check out what options are available to you and take advantage of the "Block all users except those on my buddy list" or adding unwanted usernames to an Ignore list in chat.
- **Watch what you say online.** When you do participate online, be careful -- only type what you would say to someone's face. If you wouldn't say it to a stranger standing next to you in an elevator, do not say it online.
- **Signature Files.** If you use a signature file for all your e-mail messages, newsgroup posts, etc., make sure you know what information is in there. Check to be sure

you're not giving out your full name, address and phone number.

- **Ego Surf.** Put your first name and last name in quotes in a search engine and see if there are any results regarding you. You just might be surprised at what you find.
- **Be very cautious about putting any pictures of yourself online anywhere, or allowing anyone else to publish any photos.** Some stalkers become obsessed because of an image. A random e-mail address or screen name is simply much less attractive to most obsessive personalities than a photograph.

Pursuant to VAWA, students and employees of Premiere Career College are offered prevention and awareness programs on rape, acquaintance rape, domestic violence, dating violence, sexual assault, and stalking. – Premiere Career College strongly prohibits these offenses.

### **Policy/ Procedure Statements**

In case a sex offense (rape, acquaintance rape), domestic violence, dating violence, sexual assault, or stalking has occurred, any College employee/ official must be officially notified. Evidence of any of this crime must be preserved for proof of the occurrence of the crime and also for obtaining a protection order.

All alleged victims of these crimes will be advised on their rights to file or not to file their complaints formally to College officials and eventually to the proper law enforcement authorities (including local police). For those who choose to inform law enforcement authorities, the College will extend all assistance possible to facilitate the process. Furthermore, help will also be extended by the College within what the law allows to secure for the alleged victim, orders of protection, no contact orders, restraining orders, or similar lawful orders issued by a criminal, civil or tribal court.

The College will also assist the alleged victim in re-arranging class schedules if requested.

The College will exercise its best effort to assist the alleged victim (student, employee) to get help from local law enforcement for the prompt, fair, and

impartial investigation and resolution of these crimes, if the alleged victim so chooses.

The College's Student Services Department, will also do its best to assist alleged victims, if they so chooses, to find available resources for counseling, victim advocacy, legal assistance, and other pertinent services.

If the accuser and the accused are both members of the College, they will be entitled to the same opportunities to have others present during any College disciplinary proceedings, including the opportunity to be accompanied to any related meeting by an advisor of their choice.

The accuser and the accused will also be notified simultaneously and in writing of the outcomes of all proceedings, any changes to results before they are finalized and when they become final as allowed by the law.

Also, to the extent permissible by law, the college will protect the confidentiality of the accuser and the accused.

The College strictly prohibits any officer, employee, or agent of the institution involved in the discussion or resolution of these offenses; to retaliate, intimidate, threaten, coerce, or otherwise discriminate against anyone allegedly involved in these cases.

### **Emergency Response and Evacuation Procedures**

Anyone with information about a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees should immediately inform the Premiere Career College front desk (626) 814-2080. After confirming the threat using all available tools, the front desk official will use best judgment to determine who should be notified and how to disseminate the information.

Depending on the decision of the front desk official, the College may notify the campus community via intercom, in person, via bulletin board, or newsletter unless it is deemed that notification will compromise efforts to assist victims or to contain, respond to, or otherwise mitigate the emergency. If the front desk official determines that it is

necessary to inform the larger community (public)  
then the front desk official shall contact the  
appropriate law enforcement agencies and pass on  
the relevant information.

Evacuation procedures are posted in each campus  
building. Evacuation and notification drills are  
scheduled at least once per calendar year.
